Overview of Services of the EVPRP (Research Integrity and Regulatory Affairs) and SPS

The Office of the Executive Vice President for Research and Partnerships along with Sponsored Program Services will host a workshop on **Tuesday, August 19, 2014** entitled "**Overview of Services: OEVRP and SPS**". The workshop will provide an excellent opportunity for new faculty to learn more about Purdue's policies and processes related to the development, submission, and management of research proposals. Topics to be covered include: electronic submission and tracking systems, budget preparation and review, facilities and administration rate (F&A), industrial contracts, award management, project reporting, and research compliance, including human research subjects, animals, rDNA, financial conflicts of interest, export controls, and grant to protocol reviews.

The workshop will be held in Stewart Center, Room 314, from 11:30 a.m. to 1:00 p.m., with lunch provided.

The deadline for registration is Thursday, August 14, 2014. For more information, contact Sue Grimes in the Office of the Executive Vice President for Research and Partnerships at sgrimes@purdue.edu

Lunch is provided so registration is required by August 14. To register, [click here](#).

NSF Grants Conference

NSF will host the first of its fiscal year 2015 Grants Conferences on October 6-7, 2014. The event, hosted by George Washington University in Arlington, VA, will feature officials from each program directorate, administrative office, Office of General Counsel, and the Office of the Inspector General.
